

2019 Presidents Education Scholarship Application

President's Scholarship for Academic Excellence and Achievement up to \$2500

The scholarship is open to daughters and sons of individuals in the promotional products industry who are members of SAAC. The Foundation for SAAC Presidents Scholarship Program recognizes and encourages academic performance, intellect and achievement as well as personal growth through participation in extracurricular activities within the civic and academic communities.

Scholarships are awarded on the basis of several factors, including but not limited to the student's academic achievement, results of ACT or SAT tests, scholastic and civic leadership. The scholarship program does not discriminate on the basis of race, sex, religion, national origin or disability.

Scholarships are renewable on a year-to-year basis (not to exceed 5 years) provided the student demonstrates continuous progress towards the degree and satisfies the Foundation Committee's rules. Applications and supporting documents for renewal must be received at the office by May 18, 2019, for consideration for the next school year.

The Foundation Committee will determine the annual recipients of scholarship awards.

In the event that there are more qualified applicants than scholarships available, the scholarships will be awarded to students at the Foundation's discretion. In addition, the dollar amounts of the scholarship may vary based on the number of applicants or the amount of money in the scholarship fund, with a limit of three per Member Company.
